

**A Prize of Separation Technology from SSPJ**

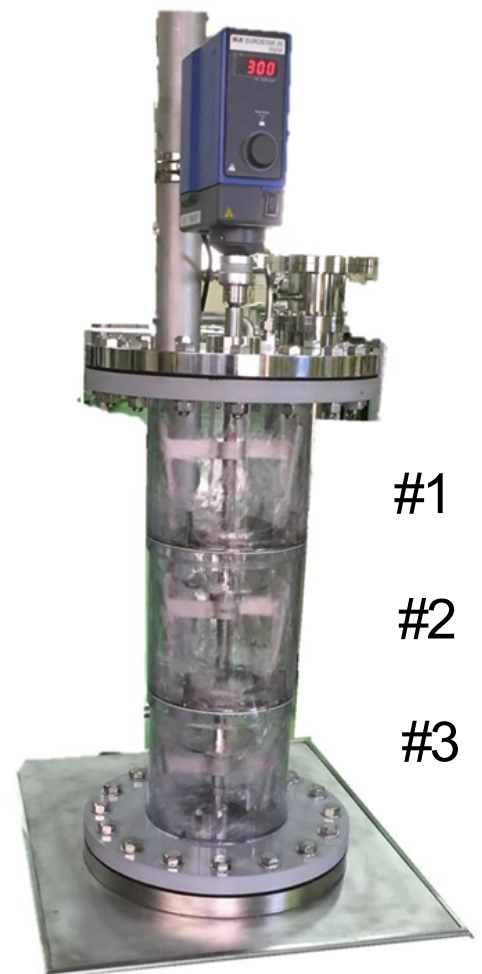

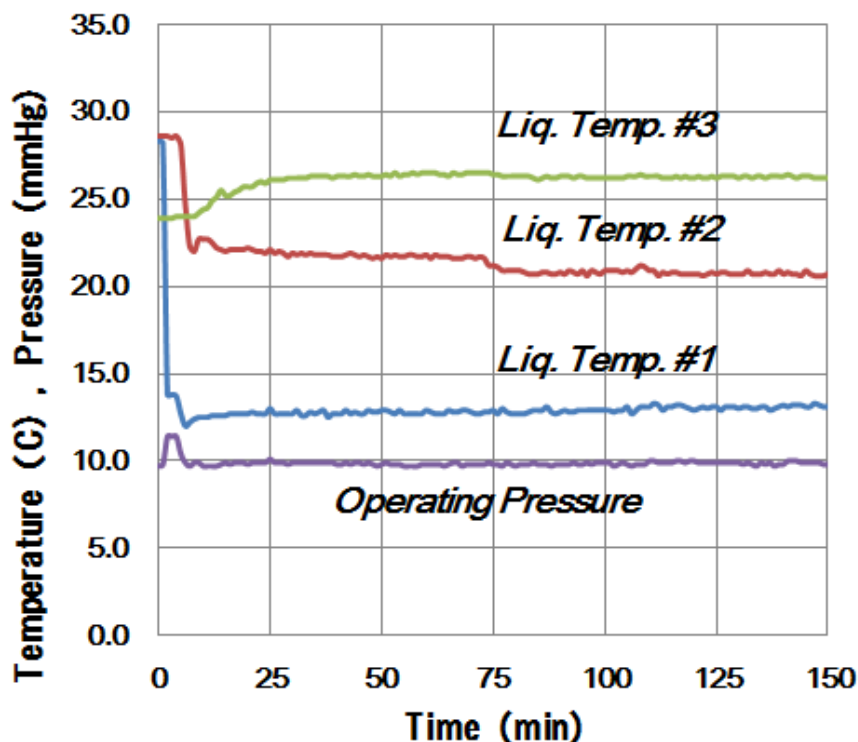

## **Multistage Continuous Evaporator**

**NEW!**

# **WW MURTON**

### **FOR EVAPORATOR**

- **Highly efficient and effective operation without wipers or blades**
- **No erosive contact, no maintenance, no contamination problems**
- **The multi-stage operation results in making the product highly concentrated**

**Experimental result of continuous evaporation  
of water from aqueous monomer**

**Kansai Chemical Engineering Co., Ltd.**
